

# Lasst Eure Augen

C                      D7                      F                      C                      G  
 Lasst eure Augen keusch sein, eure Hände ehrlich,

F                      Fmaj7                      G/E                      G                      C  
 eure Zunge aufrichtig und euer Herz erleuchtet

G/E                      G                      C  
 euer Herz erleuchtet

C                      D7                      F                      C                      D7                      F                      C  
 Kunnuu fill tarfi afeefan wa fill yadi ameenan

F                      G                      G/E                      Fmaj7                      D7                      G                      C  
 wa fill lisaani saadiqan wa fill qalbi mutathakiran

D7                      G                      C  
 wa fill qalbi mutathakiran
